RAJMATA JIJAU SCIENCE & COMMERCE NIGHT COLLEGE OF B.Sc. (IT)

Rajmata jijau degree College, as an institution, a culture, and a community, has carved out an impressive position for itself in the field of education in India. Through a determined effort to create an environment that fosters the holistic development of its students, Rajmata jijau degree College aims to be a space for the celebration of creativity, the rediscovery of tradition, and the encouragement of innovation.

To fully understand the system of principles on which Rajmata jijau degree College is built, it is important for us to trace some of the milestones in its ascent. Rajmata jijau degree College was established in 2009 by the Gajanan charitable sanstha. In 1999 started this sansta with the aim of **'Education to each and every one'**.

Rajmata jijau degree College was the educational institution in the city of Navi Mumbai to be run by a private body, and is now one of 3 institutions under its umbrella.

Rajmata jijau degree **College is** in process of National Assessment and Accreditation Council (NAAC).

We at Rajmata jijau degree College recognise the necessity of an inclusive approach for a qualitative as well as quantitative magnification in the Indian education system.

As a part of our effort to enhance the skill development of our students, Rajmata jijau degree College has started skill-based programs.

Complementary to such exercises in skill enhancement is the Rajmata jijau degree College established to guide and assist students in their business ideas. By presenting students with a chance to explore viable business ventures at an early stage and understand market-related practices, the College actively cultivates an entrepreneurial culture that enables ideas to metamorphose into reality.

Along with paving paths for the students' professional lives, the community at Rajmata jijau degree College upholds and acts upon the elemental requirement of mental health and well-being in the holistic development of young individuals. With this objective in mind. Enhance emotional management skills and improve interpersonal and intrapersonal relationships.

We at Rajmata jijau degree College recognise the power we hold and the responsibility we have in laying the building blocks of our nation. We are committed to facilitating the growth of creative, innovative, well-adjusted, and happy citizens who are capable of building a better life for their community.

Our fulfilment lies in the creation of individuals who are institutions in themselves.
